Your Latest Issue of The Handz of Ganz

This Month's Quiz Question:

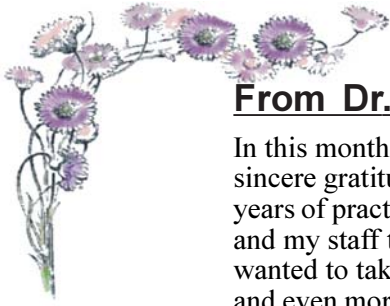

During a baseball game in Mudville, Casey was Mudville's lead off batter. There were no substitutions or changes in the batting order of the nine Mudville men throughout the nine inning game. It turned out that Casey came to bat in every inning. What is the least amount of runs that could be scored if Casey came to bat every inning.

If you have the answer (or you think you do) give us a call and if you are the first winner you will receive a dinner for two at one of Garden City's most lovely restaurants. So get out your pens and pencils and give it a try.....

The Handz of Ganz

Vol. 2 Issue 3 Apr 2006

From Dr. Ganz

In this month's issue of the Handz of Ganz I wanted to express my sincere gratitude to a very special patient and friend. After thirty plus years of practicing dentistry there is still nothing more important to me and my staff than the appreciation of a truly happy patient. We therefore wanted to take a moment to thank Leonard K. for his wonderful letter and even more for his years of loyalty and confidence. If you would like to read Leonard's letter it is available online at <http://www.ganzdental.com/testimonials.htm>

Mother's Day is Just Around the Corner

One of the best parts of writing this newsletter is coming up with new and different topics for each issue. Since May is quickly approaching I thought I would dedicate this issue to all of the mothers out there that give so much and hopefully get a great deal in return. Here is some information that hopefully you don't know about some of the very special women in our lives.

Mother's Day Facts

Mother's Day was actually first suggested back in 1872 by Julia Ward Howe (more famous for writing the words to "The Battle Hymn of the Republic) who was never a mother herself. In 1910 West Virginia was the first state to officially recognize Mother's Day due to the intervention of Anna Jarvis who was instrumental in creating this special day to honor her own mother. In 1914 President Wilson declared the second Sunday in May to be Mother's Day. Jarvis became outraged about the commercialism of the holiday so much that in 1923 she filed a lawsuit to try to stop the event. Obviously this lawsuit never amounted to anything and we have continued to honor this day ever since.

Mother's Day Quotes

"The best way to keep children home is to make the home atmosphere pleasant---and let the air out of the tires." - Dorothy Parker

"At work, you think of the children you have left at home. At home, you think of the work you've left unfinished. Such a struggle is unleashed within yourself., Your heart is rent." - Golda Meir

"By and large, mothers and housewives are the only workers who do not have regular time off. They are the great *vacationless* class." - Anne Morrow Lindbergh

and finally.....

"No matter how old a mother is, she watches her middle-aged children for signs of improvement." - Florida Scott-Maxwell

Every Mother is Unique. But they all have one thing in common - A Warm Caring Smile!

In honor of Mother's Day, we will take **50% off of our Take Home Whitening Kit or \$200 towards any in office Cosmetic Treatment of your Mother's Choice.** Please call today for our **FREE Mother's Day Cosmetic Smile Makeover Consultation.** **PS.** This is a very special offer and is only good for any family member or friend you refer. **ONLY 27 spots available...Call Today!**
