

Frequent Referral Rewards Program

The entire staff at the Handz of Ganz wanted to find a way to demonstrate our appreciation for the kindnesses expressed by our patients over the years. We have therefore decided to initiate the Frequent Referral Rewards Program. This program will provide 25 Referral Reward Points for the first patient referred in any calendar year and will be increased by an additional 25 reward points for each successive patient referred during the same calendar year. (For example, 25 points for the first patient referral, 50 points for the second, 75 for the third and so on.)

These Referral Reward points can either be exchanged for \$1 per point off of an existing dental bill or, if you prefer, accumulated and exchanged for a variety of wonderful gift certificates to restaurants in the Long Island area. You can even use the Reward points for an exciting variety of spa services or maybe even a total day of beauty at the Maximus Spa located in Garden City, Great Neck and soon to be in Manhattan..

These points can be accumulated for as long as you want but can only be applied to an existing account. *There is no real cash value for the reward points.* We hope that you will take advantage of our "frequent flyer" program.

We would also like to take this opportunity to wish you, your family and friends a Wonderful Holiday Season and a Healthy, Happy and Successful New Year.

As always we welcome the referral of your business associates, friends and relatives. If you would like copies of our new Smile Brochure please give us a call.

Your dental team,

Cary, Joanne, Barbara, Michelle, Cassandra, Dean and Jan
