

The Handz of Ganz

Vol. 1 Issue 2 September 2004

From Dr. Ganz

Welcome to the second edition of *The Handz of Ganz*. We hope you enjoy this issue and will look forward to coming issues. Our office has always been interested in bringing together our family of patients and offering them not only the finest dentistry available but also creating an environment that makes you feel comfortable, confident and safe. Please feel free to go to our website at <http://www.ganzdental.com> for more about a wide variety of dental topics.

Thank you.

What's New?

For those of you that don't already know, not only am I a new father (Seth is now 22 months old) but I am also a new grand-father. Annabel Natalie Ganz was born to my son Jason and his wife Jennifer on June 16th. Both Seth and his niece Annabel are just a joy and wonder to behold. By the way, if by chance you get a recall telephone call and it's a bit difficult to understand it's probably Seth.

Dental FAQs

- The stone-faced farmer in the famous painting, American Gothic, was artist Grant Wood's dentist.
- Next to the common cold, tooth decay remains the most prevalent disease in the United States even though a third of all youngsters between the ages of 5 and 17 are cavity free.
- Not long ago, dentures were common wedding gifts in the British Isles because many people expected to eventually lose all of their teeth and this expedited the process of having them extracted at an early age.
- Every person has a set of teeth as unique as his or her fingerprints and even the "dental fingerprints" of identical twins are different.
- America's best known author of western novels, Zane Gray, was a dentist before becoming a writer.
- There is a dental name for the soreness that results when you burn your palate with hot melted mozzarella, it's "pizza palate".

Joke of the Month

The Loving Husband

Several men are in the locker room of a golf club. A cell phone on a bench rings and a man engages the hand-free speaker function and begins to talk. Everyone else in the room stops to listen.

MAN: Hello

WOMAN: Yes

MAN: Yes

WOMAN: I am at the mall now and found this beautiful leather coat. It's only \$1000. Is it OK if I buy it?

MAN: Sure...go ahead if you like it that much.

WOMAN: I also stopped by the Mercedes dealership and saw a new 2004 model. The one I really liked.

MAN: How much?

WOMAN: \$80,000

MAN: OK, but for that price I want it with all the options.

WOMAN: Great! Oh, and one more thing...the house we wanted last year is back on the market. They're asking only \$950,000.

MAN: Well then go ahead and give them an offer, but just offer \$900,000.

WOMAN: OK. I'll see you later! I love you!

MAN: Bye, I love you, too.

The man hangs up. The other men in the locker room are looking at him in astonishment.

THEN HE ASKS, "Anyone know who this phone belongs to?"

Quote of the Month

It's no longer a question of staying healthy. It's a question of finding a sickness you like.

Jackie Mason (1934 -)

As always we appreciate the confidence expressed by your kind referral of your family, friends and business associates. Please ask them to mention your name when they call. Thanks.
